

I read that with the new LPFM broadcast service and a proposed rule, K-LOVE may be forced off of the air. I have listened to K-LOVE for years and have learned so much from their broadcasts. I have recently moved to an area that does not transmit K-LOVE and so I now listen to it online. It would truly be a shame if K-LOVE were forced off of the air because if an LPFM broadcaster providing other programming! I believe that it is in the public's interest to keep K-LOVE up and running. There are very few stations that broadcast positive and character-enriching information and music. This station needs to continue to be broadcast if for no other reason than the hope that it provides to me...and to many others!
